

THERE WAS AN OWL LIVED IN AN OAK

Original Lyrics by: Unknown

Second Verse Updated by Dany Rosevear

There was an Owl lived in an oak
Whiskey, whaskey, weedle!
And all the words he ever spoke,
Were, "Fiddle, faddle, feedle!"

One day I walked along that road,
Whiskey, whaskey, weedle!
And there I heard an ugly toad Sing,
"Fiddle, faddle, feedle!"
