

BBRAHMS LULLABY

Original Lyrics & music by: Johannes Brahms

Lullaby, and good night, in the skies stars are bright
May the moon's, silvery beams, bring you sweet dreams
Close your eyes now and rest, may these hours be blessed
Till the sky's bright with dawn, when you wake with a yawn

Lullaby, and good night, you are mother's delight
I'll protect you from harm, and you'll wake in my arms

Sleepyhead, close your eyes, for I'm right beside you
Guardian angels are near, so sleep without fear
Lullaby, and good night, with roses be-dight
Lilies o'er head, lay thee down in thy bed

Lullaby, and good night, you are mother's delight
I'll protect you from harm, and you'll wake in my arms

Lullaby, and sleep tight, my darling sleeping
On sheets white as cream, with the head full of dreams
Sleepyhead, close your eyes, I'm right beside you
Lay thee down, now and rest, may your slumber be blessed

Go to sleep, little one, think of puppies and kittens.
Go to sleep, little one, think of butterflies in spring.
Go to sleep, little one, think of sunny bright mornings.
Hush, darling one, sleep through the night

Sleep through the night
Sleep through the night
