

FIVE FAT SAUSAGES

Original Lyrics & Music by: Unknown

Five fat sausages sizzling in a pan,

The grease got hot and one went bam!

Four fat sausages sizzling in a pan,

The grease got hot and one went bam!

Three fat sausages sizzling in a pan,

The grease got hot, and one went bam!

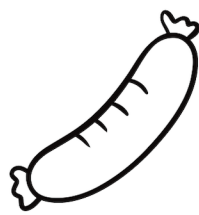

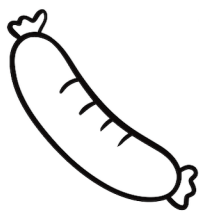

Two fat sausages sizzling in a pan,

The grease got hot, and one went bam!

One fat sausage sizzling in a pan,

The grease got hot, and one went bam!

And there were no more sausages left.
