

# HAPPY HIPPO

Original Lyrics and Music by unknown

Hippo, hippo, happy hippo! X2  
 Hippo! Hippo!  
 I am such a happy hippo  
 Hop! Hop! Hop!  
 I am such a happy hippo  
 Hop! Hop! Hop!  
 Right leg follows the left leg  
 First the front and then the end  
 Tiny ears and big head  
 Wanna be my friend?  
 Right leg follows the left leg  
 First the front and then the end  
 Tiny ears and big head  
 Wanna be my friend?  
 Hippo, hippo, happy hippo! X2  
 Hippo! Hippo!  
 I am such a happy hippo  
 Hop! Hop! Hop!  
 I am such a happy hippo  
 Hop! Hop! Hop!  
 Right leg follows the left leg  
 First the front and then the end  
 Little tail and chunky legs  
 Wanna be my friend?

Right leg follows the left leg  
 First the front and then the end  
 Little tail and chunky legs  
 Wanna be my friend?  
 Hippo, hippo, happy hippo! X2  
 Hippo! Hippo!  
 I am such a happy hippo  
 Hop! Hop! Hop!  
 I am such a happy hippo  
 Hop! Hop! Hop!  
 Right leg follows the left leg  
 First the front and then the end  
 Tiny eyes. Is he hiding?  
 Wanna be my friend?  
 Right leg follows the left leg  
 First the front and then the end  
 Tiny eyes. Is he hiding?  
 Wanna be my friend?  
 Right leg follows the left leg  
 First the front and then the end  
 Tiny eyes. Is he hiding?  
 Wanna be my friend?  
 Right leg follows the left leg  
 First the front and then the end  
 Tiny eyes. Is he hiding?  
 Wanna be my friend?
