

TEN FAT SAUSAGES

Original lyrics and music by unknown

Ten fat sausages sitting in the pan,
One went pop, and another went bam!

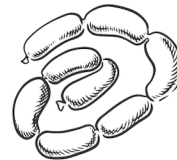

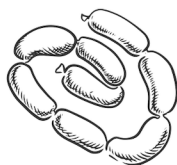

Eight fat sausages sitting in the pan,
One went pop, and another went bam!

Six fat sausages sitting in the pan,
One went pop, and another went bam!

Four fat sausages sitting in the pan,
One went pop, and another went bam!

Two fat sausages sitting in the pan,
One went pop, and another went bam!

No more sausages sitting in the pan.
