

ZOOM ZOOM

Original lyrics and music by unknown

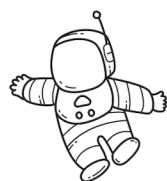

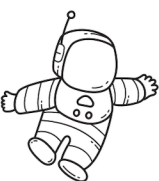

Zoom zoom zoom, we're going to the moon,
Zoom zoom zoom, we'll get there very soon
If you want to take a trip
Climb aboard the rocket ship

Zoom zoom zoom, we're going to the moon
Zoom zoom zoom, we're going to the moon,
Zoom zoom zoom, we'll get there very soon
Engines starting, hear them roar

Higher, higher up we soar
Zoom zoom zoom, we're going to the moon
Zoom zoom zoom, we're going to the moon,
Zoom zoom zoom, we'll get there very soon

Twinkling stars are shining bright
Shooting past us on our flight
Zoom zoom zoom, we're going to the moon
Zoom zoom zoom, we've landed on the moon,

Zoom zoom zoom we've landed on the moon
Planet earth looks far away
Just a short time we can stay
Zoom zoom zoom, we visited the moon!
